Next you will see the Plaid screen. Plaid is the most secure way to connect your bank account electronically. We do not share or store any banking credentials. Please click continue.

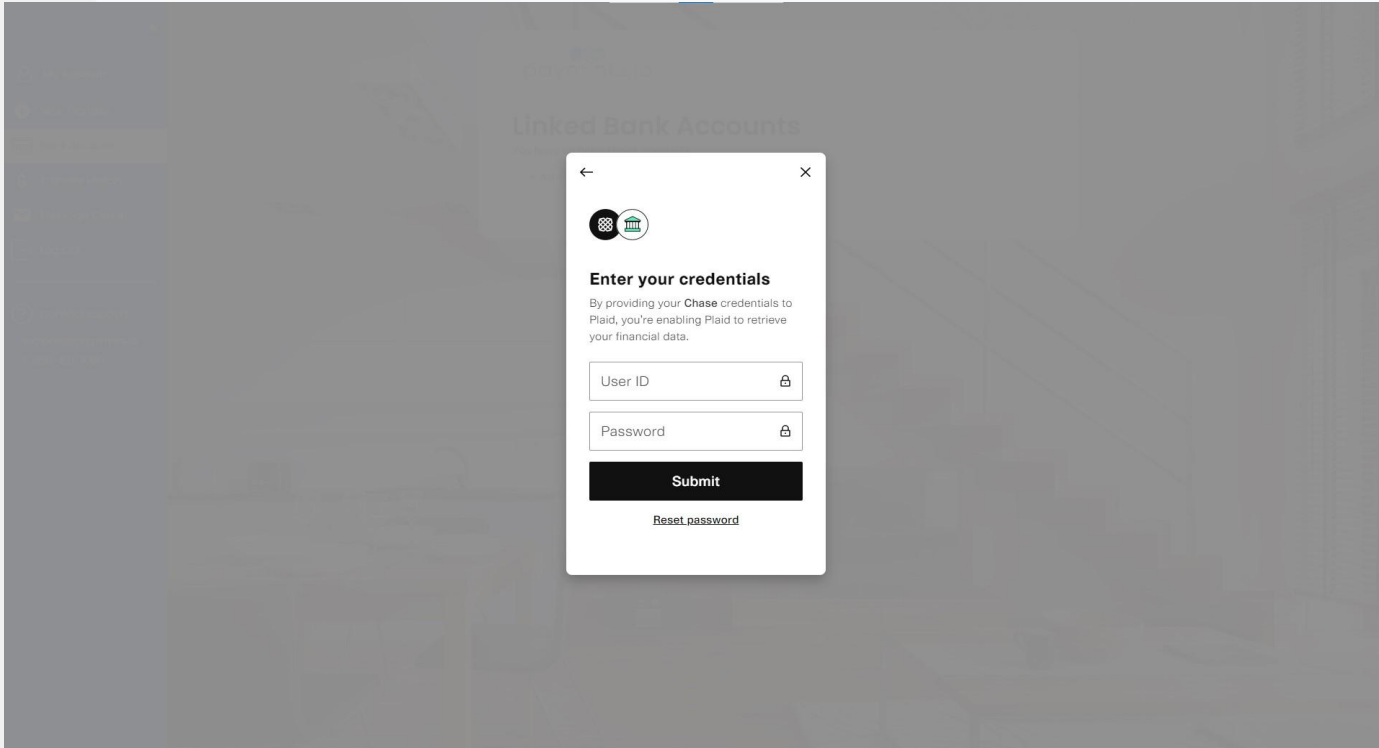

5

Plaid allows us to connect to over 16,000 financial institutions. What you will first see are the most banks used on our platform. If you do not see your bank click in the search bar and type in the name of your bank. Select your financial institution.

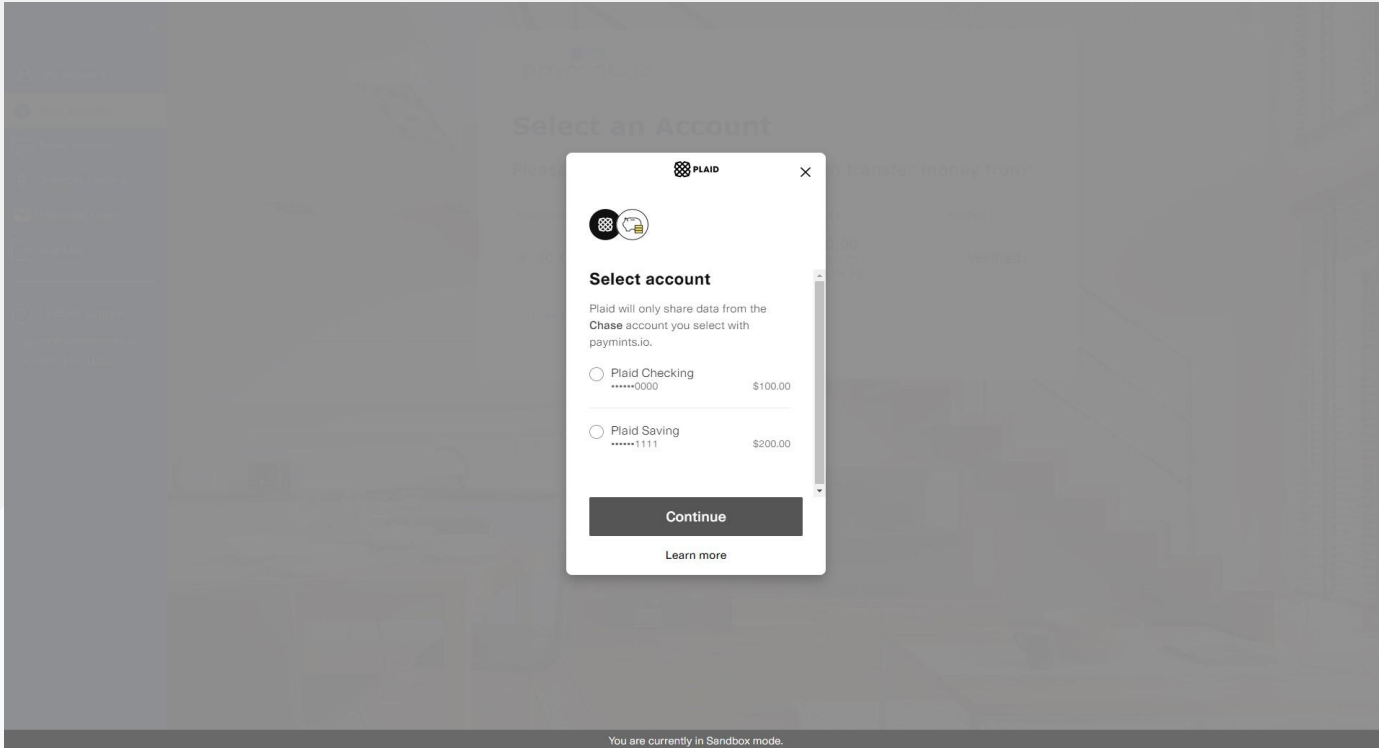

6

After you have selected your financial institution, log in to your bank using your online banking credentials. This will allow you to view all of your accounts which are eligible to make a transfer on our platform.

7

Please select the account that you would like to use to make the transfer.

8

Once your account has been selected please click “Continue”.

The screenshot shows the paymints.io mobile application interface. On the left is a blue navigation sidebar with the following items: My Account, New Transfer, Bank Account, Transfer History, Message Center, Log Out, and Contact support (with email support@paymints.io and phone number 1-888-921-1090). The main content area is a white modal titled "Select an Account" with the subtext "Please select the account you want to transfer money from:". Below this is a table with columns for Financial Institution, Account, Balance, and Status. One account is listed: Chase with account number X0000, a balance of \$100.00 as of 04/27/2022 at 12:15 PM EDT, and a status of Verified. At the bottom of the modal are two buttons: "+ Add Account" and "Continue". The background of the app is a modern living room with a wooden dining table, a staircase, and a television.
